*By Mike Exton*

Many liberals have been bashing Donald Trump and his followers for wanting to build a wall at the Mexican border (in order to keep out drug-traffickers and ILLEGAL aliens—including Muslim terrorists)—even going so far as to label Trump and all his followers as racists and even Nazis. And yet their champions (Hillary Clinton and Barack Obama) voted for the construction of a wall along the Mexican border in 2006! That’s right, they voted in favor of building such a wall! And that wall (at least part of it) has already been built (a barrier stretching about 670 miles — with about 700 more miles in the plan).

So why all this fuss about a wall? You see, in the typical liberal mind, if you’re a conservative and you want to build a wall, then you **MUST** be a racist and probably even a Nazi. But on the other hand, if you’re a liberal who voted for a wall, then you’re a “progressive” and a “protector” of US citizens! Such **HYPOCRISY** never fails to amaze me!

When you read the first four books of the New Testament you quickly notice that Jesus Christ calls out the leaders of His day over and over and over again; calling them what? You guessed it: “HYPOCRITES!” And if Jesus was walking the earth today, what one word do you think He would use to describe today’s leaders? Let me give you a clue, it begins with the letter “H.”

How interesting it is that after almost 2,000 years nothing has really changed. Our society is still full of hypocrisy just as it was 2,000 years ago.

So how about conservatives? Are they also hypocrites? Unfortunately, **MANY CONSERVATIVES ARE JUST AS DECEPTIVE AND HYPOCRITICAL** as the typical liberal, but here are some of the *important differences* between liberals and conservatives:

- (1) Your typical conservative is **AGAINST** the savage killing of innocent little babies, while liberals tend to be **FOR** the brutal murdering of these precious little babies.
- (2) Conservatives tend to be **AGAINST** immoral lifestyles and vile marriages, while liberals tend to be **FOR** perverted lifestyles and abominable ungodly marriages.

(3) Conservatives tend to believe in a God who created the universe and everything in it (and who one day will judge all of our words, thoughts, and actions), while liberals tend to believe in the godless and ridiculous evolutionary hypothesis. But God thunders, “The FOOL says in his heart, ‘there is no God.’”

(4) Liberal leaders are often led by and inspired by Lucifer (i.e. Satan the Devil)! Yes, you read that right! Just look at one of their favorite books. Written by the late Socialist/Communist/Marxist Saul D. Alinsky, it’s called “Rules for Radicals” (though it was first named “Rules for Revolution”). UNSURPRISINGLY, BOTH OBAMA AND HILLARY ARE DEVOUT DISCIPLES OF ALINSKY. So what does this have to do with Satan? Well, in the beginning of his book *Alinsky praises Lucifer, dedicating his book to him!* “Lest we forget at least an over-the-shoulder acknowledgment to the very first radical: from all our legends, mythology, and history (and who is to know where mythology leaves off and history begins — or which is which), the first radical known to man who rebelled against the establishment [that is, he rebelled against GOD!] and did it so effectively that he at least won his own kingdom — Lucifer.” These perverse liberals consider Satan the very first radical, a role model for them to emulate and follow, in total rebellion against our loving Creator. And of course, those who admire and extol Satan will surely be greatly influenced by him.

So, are all liberals Satanic? No, not at all. But some liberal leaders apparently are. Why else would they praise Satan and dedicate a book to him? Of course these liberal socialist leaders usually keep this stuff hidden from their followers (called “useful idiots” by Socialists/Communists/Marxists Vladimir Lenin and Joseph Stalin).

So, will HYPOCRITICAL liberals continue to DISTORT, condemn, and bash those who disagree with their ridiculous nonsense? Of course! WHY? Because that is exactly what Satan wants them to do!
