

RELIGION OF PEACE?

(1) The fact that the majority of smokers do not develop lung cancer does not negate the fact that smoking is the main cause of lung cancer; likewise, the fact that the majority of Muslims do not develop terrorism does not negate the fact that Islamic ideology is the main cause of terrorism.

– **Tawfik Hamid (aka Tarek Abdelhamid)** *Egyptian author and former member of the militant al-Gama'a al-Islamiyya.*

(2) If the people of this religion [Islam] are asked about the proof for the soundness of their religion, they flare up, get angry and spill the blood of whomever confronts them with this question. They forbid rational speculation, and strive to kill their adversaries. This is why truth became thorough silenced and concealed.

– **Zakariya Razi (Rhazes)**

Persian [Iranian] chemist, philosopher and physician, 865 – 925AD.

(3) These future United States presidents questioned the ambassador as to why his (Islamic) government was so hostile to the new American republic even though America had done nothing to provoke any such animosity. Ambassador Adja answered them, as they reported to the Continental Congress, ‘that it was founded on the Laws of their Prophet, that it was written in their Koran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as

Prisoners, and that every Muslim who should be slain in Battle was sure to go to Paradise’.

– **Thomas Jefferson**

U.S. president addressing the Continental Congress about the brutal pirate attacks of the Muslim Ottoman Barbary (1801–1805 and 1815).

(4) There are many good men and women in the West who try to resettle refugees, scold their fellow citizens for not doing more, donate money to philanthropic organizations, and strive to eliminate discrimination. They lobby governments to exempt minorities from the standards of behavior of Western societies; they fight to help minorities preserve their cultures, and they excuse their religion from critical scrutiny. These people mean well, I have no doubt. But I believe that their well-intentioned activism is now a part of the very problem they seek to solve.

– **Ayaan Hirsi Ali**

Somali-born American activist, writer, and politician.

(5) This is a profession of faith of a Muslim: ‘I certify that there is no God other than Allah, of whom Mohammed is the only prophet’, which means in effect: After and before Mohammed, there is nobody else...’ Thus the whole religion of Islam is based on negation: nobody but us, no other religion but ours’. And if you disagree, you shall die. This puts a serious limitation to tolerance and from this strong belief sprang all the horrors of the Muslim invasion of India.

– **Francois Gautier**

French writer and journalist based in India.

(6) “How dreadful are the curses which Mohammedanism [ISLAM] lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. The effects are apparent in many countries. Improvident habits, lovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live.”– **Sir Winston Churchill** (“**Man of the 20th Century**” & “**Greatest Briton Ever**”)

– **Sir Winston Churchill, 1899.** *British Conservative politician and statesman of the United Kingdom during the Second World War.*

(7) “Individual Moslems may show splendid qualities – but the influence of the religion paralyses the social development of those who follow it. No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism [ISLAM] is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled, the civilization of modern Europe might fall, as fell the civilization of ancient Rome.”– **Sir Winston Churchill** (“**Man of the 20th Century**” & “**Greatest Briton Ever**”)

(8) A degraded sensualism deprives this life of its grace and refinement; the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men.
– **Sir Winston Churchill** ”**Man of the 20th Century**” & “**Greatest Briton Ever**”
